Protect These Paws!

Hot Asphalt Awareness

When the air temperature is this

- 77° – 125°
- 86° – 135°
- 87° – 143°

The asphalt has been measured at this

What can you do?
Place your hand on the asphalt for 5 seconds to verify it will be comfortable for your dog.
If it’s too warm - stay off the asphalt - use the sidewalks or grass instead!
